State

- <u>Number of Competitors per Chapter</u>: Each local chapter may enter **one team of one (1), two (2) or three (3) members**.
- At the State Leadership Conference, Website Coding & Development consists of two parts:

- **The top four (4) places in state competition** will represent California at the National Leadership Conference.
- Middle school members who place in the top four **cannot** compete at the National Leadership Conference, per national guidelines.

- <u>Scoring:</u>
  - <u>Pre-judged Presentation:</u> A panel of judges will score the projects using the presentation sheet. The "presentation delivery" portion of the rating sheet will not be used to judge the prejudged submission, so members can focus on their project content. All decisions of the judges are final.
  - <u>Live Presentation:</u> A panel of judges will score the performances using the presentation sheet. All decisions of the judges are final.
  - <u>Final Score:</u> Only the live presentation score will be used to determine the final score. The pre-judged presentation score will not be used.
